CAMPER HOOK-UPS:

Hook-Up Total:

$160.00

Move in can be as early as Wednesday noon - Hookups assigned after stall assignments have been made

*****

If a camper/trailer is rented from an outside contractor for a hookup spot, delivery must be before Friday, July 24th, so as not to disturb the show

(if parked in a camper spot and not hooked up, the facility still charges for spot)

Slide-Outs Location: **Left Side** **Right Side** **Length:**_____

Please specify the type of plug-in you need for your camper hook-up:

_____ 15 Amp (regular drop cord)
_____ 30 Amp (most trailers with living quarters)
_____ 50 Amp (normally anything with 2 AC units or Motor Home)

Plugging into the barn is NOT allowed! Any plug in constitutes a hook-up fee from the show as the facility charges the show for all plug ins

If you are stalled with someone, please fill in blank: _____
(this helps us try to get hookups close to your stalls)
